WE'RE NUMBER 1

We Honor

Cynthia Dee

This year, after thirty-one years of teaching, our present guidance counselor, Mrs. Cynthia Dee, is retiring.

Mrs. Dee began her educational career at Garland Junior College and then attended Syracuse University, Salem State College, and Boston University.

Her teaching career began in Gloucester and Stoneham before coming to Beverly.

All of us at Briscoe Middle School wish Mrs. Dee a very happy and healthy retirement doing those things like golfing and collecting antiques which she really enjoys.

Thank you, Mrs. Dee, for your assistance and guidance to all of us!

and Recognize

Patricia Parsons

Maria Bonaiuto

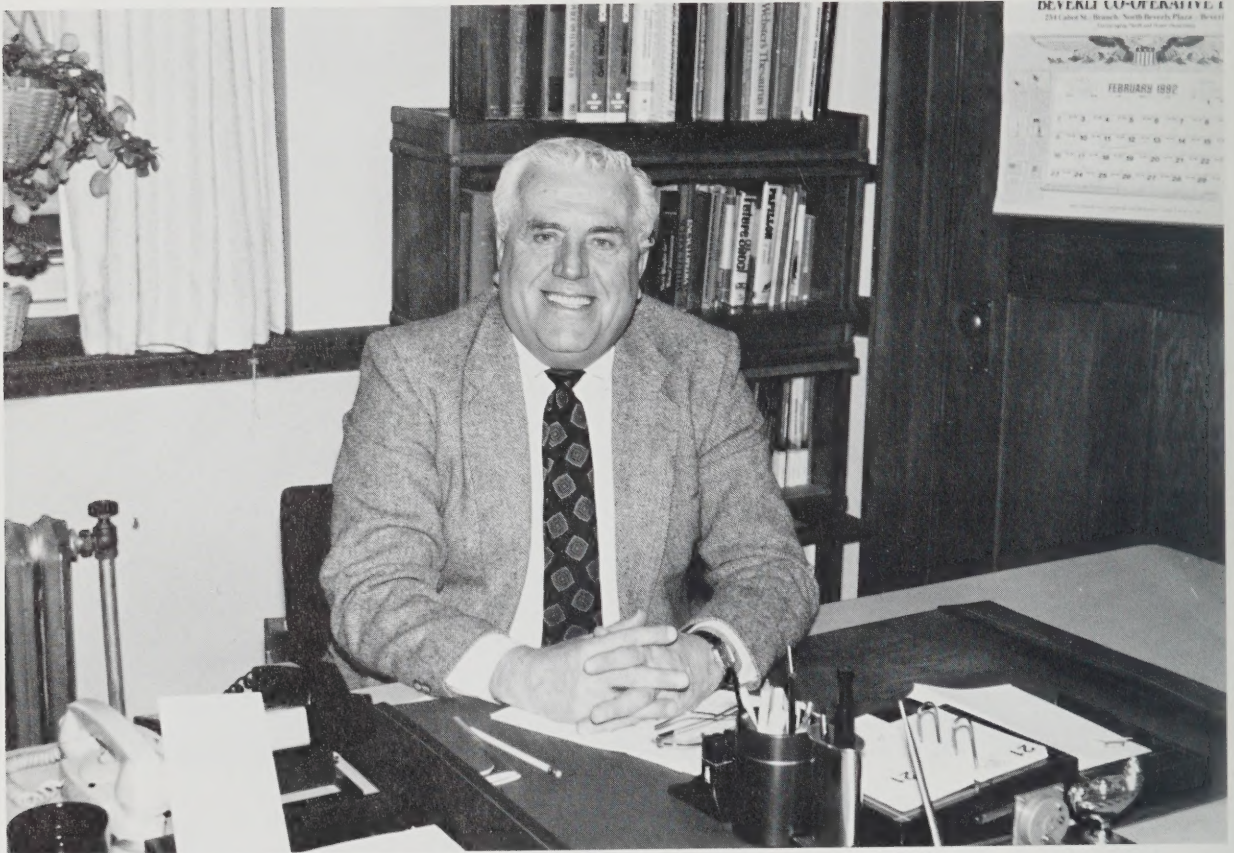

The students and faculty of Briscoe School also recognize and salute Ms. Maria G. Bonaiuto and Mrs. Patricia Parsons for their help and assistance to all of us. A school office is always a busy area of any school. Our office is no different. However, despite the hectic pace, both secretaries take the time to be most helpful in all areas.

We thank them most sincerely for being a vital part of our school family!

Administration

JOHN J.
LAPSLEY, JR.

We are extremely proud of the achievement of our students. Our school is committed to academic excellence with a climate of high expectations for everyone. As one travels through life always remember the additional 3 R's - Rights, Responsibility, and Respect. Our school has been recognized for its successful activities thanks to the involvement and participation of our students and staff. It is a personal pleasure to observe the caring and friendliness that is the tradition of our school. After all, you are the very best.

Mr. Lapsley

Administration

John Allen

As I reflect on this school year I recall many fond memories. Having started the year as a classroom teacher, I witnessed first hand that this eighth grade has many fine qualities that are difficult to measure. They have set a standard for future classes to follow. My change in duties as a school administrator has allowed me to view the entire school in a different perspective. The efforts of students and staff towards building a better tomorrow are greatly appreciated. For those of you leaving us this year I wish you happiness and success. For our returning students, start planning now for your next year in Briscoe. Whether as an individual or a class, let's make it your best ever.

Mr. Allen

YEARBOOK STAFF

BRISCOE BAND

Our Editors

Brian Morse

David Contarino

Karen Paluzzi

Dear Students and Faculty,

Life is full of challenges. This past year we saw many different kinds of people meeting different kinds of challenges. The men and women of the former Soviet Union faced the challenge of independence, while people in Yugoslavia and other countries fought to acquire their independence. Many in the United States faced the uncertainties brought on by the unstable economy. Several men in our country accepted the challenge of campaigning for the Presidency. Two excellent athletes, L.A. Lakers star Magic Johnson and Wimbledon winner Arthur Ashe, bravely fought the challenge of the AIDS virus.

We at Briscoe also face challenges. Our teachers are constantly demanding more from us. The eighth grade class is ready to accept the responsibility of the high school. We will accept that change as well as try our hardest.

The Yearbook Editors thank Mr. Boyle for his guidance and advice in producing this quality yearbook. We hope you enjoy it!
